

Paul Bracegirdle

Chief Financial Officer
Trade & Investment Queensland

As Trade and Investment Queensland's Chief Financial Officer, Paul's key responsibilities include the provision of Corporate Services including financial management, risk management, treasury, information technology, records management and procurement functions.

Previously, Paul served as Manager of Financial Services for Queensland Urban Utilities for five years including the establishment of the statutory authority in 2010 from five council owned water businesses including Brisbane Water and Ipswich Water.

Paul gained global commercial experience through 10 years with USA based Ionics Incorporated as Financial Controller and three years with the ANZ Banking Group in the UK.

Paul holds a Bachelor of Financial Administration, a Masters of Business Administration from CPA Australia and Deakin University and is a qualified Certified Practising Accountant (CPA).
