Celebrating Queensland's exporters

CEO's message

The Premier of Queensland's Export Awards are Queensland's highest export honour and one of the state's most prestigious business accolades. The Awards highlight the innovation, creativity, passion and drive that our exporters are globally renowned for.

As a testament to the sustained success of Queensland's \$136.2B export industry, the Export Awards proudly showcase that Queensland businesses are leading the way in exporting high-quality products and services around the world to meet a growing global demand.

This is our chance to acknowledge and celebrate Queensland exporters, recognising their achievements and success both domestically and internationally.

On behalf of Trade and Investment Queensland, it is my absolute pleasure to deliver the 34th Premier of Queensland's Export Awards.

I look forward to partnering with you on the program to celebrate our world-class exporters, strengthen industry connections and ensure our support of Queensland businesses continues to help them achieve success.
