2. s.47(3) Delivery: est. volume 14cbm

s.47(3)(b)

3. Longterm Storage: est volume 55cbm

In regards to the Airfreight Cathi is after pickup urgently. I need to go out to our panel and seek quotations. Or would you like me to book in the removalist who conducted the walk around, they advised they can have costs tomorrow for all the 3 parts of the removal?

Hello Stephen, i have just obtained more information from Toll and the \$1,475 is a storage fee in the UK (6 days) whilst waiting for the customs form to be completed by Ken which probably was at the same time here was here in Australia. So it is actually not duty etc related to s.47(3)(f) therefore probably not fair for Ken to cover the costs... let me know if you agree and approve the additional storage cost... ta ra
