

▷ READY TO GO *GLOBAL*?

Take your business
to the next level

Ever wondered if your business has global potential?

Let us help you expand your thinking and explore the benefits of exporting - from increased revenue and profitability to tax advantages and risk management.

Join us for a workshop delivered by the Export Council of Australia to discover how to:

- > choose the right markets
- > define your unique selling proposition
- > get your business ready to export
- > source the assistance you need.

This workshop is presented by TIQ and the Department of State Development, Manufacturing, Infrastructure and Planning.
